

We are so excited to share our 2026 timetable for both our Taren Point and Kurnell studios! We've worked closely with our head teaching team and really kept our families and students in mind when planning next year. The timetable has been designed to make things easier, with bigger blocks of classes and a more compact layout across both our performance kids and our growing recreational stream.

We also have so many new classes coming in 2026.

Our brand new "Act It Out" drama program for preschoolers and school-aged kids, boys only hip hop for minis and juniors, mums and bubs for ages 18 months to 2 years, heels for 16+, plus even more exciting adults classes being added in the new year. There truly is something for everyone at Elite Dance Co.

We're also really excited about our new recreational pricing. Families will now have pay-as-you-go options, cheaper class prices from \$7 to \$15, and weekly capped unlimited passes from \$30 to \$35 which give you access to all recreational classes across both studio locations.

As a little thank you, anyone who enrolls before the 1st of January will receive half-price enrolment.

We can't wait for another huge year with you all. 2026 is going to be such a fun year at Elite! 💛✨
